THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

5 July 1988

NOTE FOR: C/NIC

FROM: Brian Latell, D/AG

SUBJECT: Mexico

This is a copy of the position paper that I prepared, first for the NSC at their request, and then for Elliott Abrams as they prepared for the Presidential summit in Mexico last February.

It will be of interest to you because it reflects the main lines of research I have done on the Mexican/Soviet relationship.

We know that President Reagan discussed some of these issues with de la Madrid in Mazatlan,

If you are interested in a longer read on Mexican/Soviet issues, I can send you a copy of the book chapter that I prepared for inclusion in a volume that will be appearing in a few months.
